DETAILED ACTION

Response to Arguments

1. In response to the remarks filed 15 December 2008 to the request for entry of a preliminary amendment filed 20 June 2005, the request to accept and enter the preliminary amendment has been accepted by the examiner. This is due to the request being filed with a copy of the preliminary amendment and a copy of USPTO stamped postcard receipt dated 15 June 2005 of the preliminary amendment's filing. Also, the Examiner contends that the last Office action of 23 Sept. 2008 does not consider the true current claims, the claims filed in the preliminary amendment of 15 June 2005.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

In the Specification:

Page 1, after the Title, insert the following paragraph

--

Cross-Reference To Related Applications

This application is a371 of PCT/US03/27645, filed Sept. 04, 2003, which claims benefit of 60/409,805, filed Sept. 10, 2002.--.

4. The following is an examiner's statement of reasons for allowance: Because the prior art of record do not disclose in a plasma treatment method the step of subjecting a portion of a fuel line for an internal combustion engine to an electric field with the recited limitations (a) and (b) as claimed in claims 1-10; and in a plasma treatment method comprises the recited steps of situating and providing as claimed in claims 11-20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kishor Mayekar whose telephone number is (571) 272-1339. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nam Nguyen can be reached on (571) 272-1342. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
